OBJECTIVE
Motivated and detail-oriented Analyst seeking an internship to apply analytical, problem-solving, and data-driven skills in supporting decision-making processes, improving operations, and delivering actionable insights to drive business growth.

EDUCATION
Symbiosis Institute of Technology, Pune   **August 2022 - May 2026**
Bachelor of Technology (B.Tech) in Computer Science and Engineering

---

SKILLS
- **Data Analysis & Modeling:** Statistical analysis, data modeling, SQL
- **Technical Skills:** Python, Java, C++, MySQL (for data processing and analysis)
- **Communication & Collaboration:** Team collaboration, verbal and written communication

---

EXPERIENCE
Data Science Intern | SkillCraft Technology   **July 2024**
- Analyzed customer churn data using Python, pandas, and scikit-learn to identify factors influencing customer retention.
- Created visualizations with Matplotlib and Seaborn to present key findings on customer behavior and churn patterns.
- Assisted in developing predictive models to forecast potential customer churn, contributing to the team's retention strategy efforts.

PROJECTS
Spamtify Music System   **August 2023**
- Collaborated with a team of 3 to develop the backend of a standalone music player using C++. Focused on core functionality and system architecture design.

Restaurant Management System   **December 2023**
- Engineered a comprehensive system with Java frontend and SQL backend for real-time order management and inventory tracking.
- Implemented user interface and database integration, enhancing data-driven decision-making capabilities.

Job Portal   **January 2024**
- Developed a comprehensive job recruitment platform using Java with SQL database integration.
- Implemented key features including user authentication (login/logout), registration system, job search functionality, and efficient storage of job listings, streamlining the job-matching process for both employers and job seekers.

CERTIFICATIONS & ACHIEVEMENTS
- Foundations: Data, Data, Everywhere by Google | Link
- Ask Questions to Make Data-Driven Decisions by Google | Link
- Achieved Hackerrank Skill Certification Test for SQL basic & Intermediate | Link
- Participated in Ideathon organized by SIT to present a business idea
